

# SAFETY ADVISORY

The City of Brookhaven Police Department would like to take a moment to offer a few tips to citizens and visitors who partake in the newest craze “*Pokémon Go*” to ensure you stay safe as you explore the city.

- Stay alert at all times!
- Remember the basic rules for pedestrians while walking around parking lots, parks, and city streets.
- Look both ways and put your device down before stepping into a roadway. ***Do not wear earbuds or headphones.***
- Be mindful and respect private property. Ask permission before entering onto someone else’s property to catch Pokémon.
- Be mindful of your own property left in your vehicle as you get out to explore. Hide or take your valuables with you.
- Do not travel into parts unknown after dark.
- Parks located within the City limits close at dark.

And remember, “*Catch them all!*”
