

## SEWER AFFIDAVIT

Pursuant to O.C.G.A. § 8-2-26(d), in lieu of inspection by an inspector employed by the governing municipality, a licensed master plumber or utility contractor shall have the option of certifying that a sewer line has been installed and inspected in accordance with the International Plumbing Code where the installation is on private property outside the building underground.

If you elect the alternative inspection procedure outlined in O.C.G.A. § 8-2-26(d), this form must be completed in its entirety and submitted to the Community Development Department along with:

- A copy of master plumber or utility contractor state license;
- A copy of trenching competent person certificate; and
- A certificate showing that a bond has been filed in accordance with paragraph (2) of subsection (b) of Code Section 43-14-12, except that such bond shall be in the amount of \$50,000.00 and issued by a surety rated "A," "Class VI," or better by the A. M. Best Company.

I certify to the Chief Building Official of City of Brookhaven that the sewer installation is installed in compliance with the International Plumbing Code as adopted and amended by the State of Georgia. I hereby assume all responsibility and liability for the installation of the building sewer at the above captioned address. I indemnify and release the City of Brookhaven and its inspectors from any and all liability for damages and loss of property for the building sewer installation.
