Dear ,

We have some exciting news to share. 1,090 properties in the Toco Hills and Biltmore Acres Neighborhoods, bordering Briarcliff Rd, Lavista Rd, and North Druid Hills Rd, currently in unincorporated DeKalb, are petitioning to join the city of Brookhaven and your property is one of these! Sixty two percent of property owned land and 64 percent of all voters in this annexation area signed our petition to become part of the city of Brookhaven. You, the neighbors of our neighborhood made this happen - to join the city we only needed 60-percent.

Once our application is approved by the city, Brookhaven will provide us with police, road repair, sidewalks, zoning and other services. First on the list is zoning, and that is why you are receiving this letter today.

DeKalb has a different set of names for zoning classifications than Brookhaven does, and as we join Brookhaven, the DeKalb County zoning identification of every home will be converted to the comparable zoning identification in Brookhaven. This requires no effort on your part at all. Because this is essentially a zoning change, by law we're required to hold a public meeting to discuss it.

This meeting will be held:

Date: Thursday, June 15

Time: 6-7pm

Location: Torah Day School of Atlanta
1985 Lavista Rd NE, Atlanta, GA 30329

The changing of the zoning labels will not mean any change in building or housing density, and we're not asking for any of these changes in our application. The only thing we expect from this zoning change is that once we're in Brookhaven, their code enforcement and building permit process will be in place.

Sincerely,

Howard Ginsburg
