

**ITB 18-061**

**Addendum #1**

**Walk 16-107 Mill Creek (Knollhaven Drive to Johnson Ferry Rd)**

**2/26/2018**

1. is required to have prequalified by GDOT?

**Answer: GDOT pre-qualification not required.**

2. How to get the plans?

**Answer: Please visit our website @ [www.brookhavenga.gov](http://www.brookhavenga.gov)**

3. In the reset granite curb I just wanted to make sure that line would include the removal and resetting of the existing curb in question?

**Answer: Line item needs to include removal and resetting of existing curb.**

4. Can you give a detail for the guy wire for the poles that are being required?

**Answer: This will be accomplished by another vendor.**

5. Can you explain in more detail for the "Reconstruct Irrigation System"? Is this just one head, a zone or an entire system?

**Answer: Replacement of irrigation head and any line damaged in the relocation/removal.**

6. The sidewalk guy wire that we have to install, do you have any more information?, we have to uninstall existing and reinstall a new one? How many wires ? because , plan shows two wires in one pole and four in the other one. Any specific angle and length?

**Answer: Guy wires are to be excluded from bid. Work is to be performed by others.**

**No bids will be accepted by email or fax.**
