Submit Invitation to Bid (ITB) to:
City of Brookhaven Purchasing Office
4362 Peachtree Road Brookhaven, GA 30319

Invitation to Bid (ITB) shall be presented in a sealed opaque envelope with the bid number and name ITB 18-123 Lanier Drive (Windsor Parkway to Hearst Drive Walk 16-106) clearly marked on the outside of the envelope. The name of the company or firm submitting a bid should also be clearly marked on the outside of the envelope. ONE (1) ORIGINAL PAPER COPY AND ONE DISK/FLASH DRIVE OF THE BID MUST BE SUBMITTED.

SCOPE OF SERVICES

The Contractor shall provide the necessary machinery, tools, apparatus, other means of construction, and all materials and labor specified in the Contract Documents or as necessary to complete the City of Brookhaven Project WALK 16-106 Lanier Drive Sidewalk Project, as per the attached layouts and descriptions.

Unless otherwise directed, all work performed shall be in accordance with the Georgia Department of Transportation *Standard Specifications, Construction of Transportation Systems* (current edition). All materials used in the process of completion of the work included in the Contract will be furnished from Georgia Department of Transportation certified suppliers only.

There are no materials or equipment provided by the City of Brookhaven as part of this Contract.

WALK 16-106

Lanier Drive (Windsor Parkway to Hearst Drive):

The Walk 16-106 Lanier Drive Sidewalk Project is on the east side of Lanier Drive extending from existing sidewalk near Windsor Parkway and continues to Hearst Drive. Reference should be made to the Construction Plans for Lanier Drive, Windsor Parkway to Hearst Drive, Project 16-106 as prepared by Lowe Engineers; and approved by the City of Brookhaven March 12, 2018.

Time and Liquidated Damages

The Contractor shall not proceed to furnish such services and the City shall not become obligated to pay for same until a written authorization to proceed (“Notice to Proceed”) has been sent to the Contractor from the City. The Contractor shall commence the Work no later than ten (10) days after the effective date of the Notice to Proceed and shall achieve Substantial Completion of the Work, as hereinafter defined, no later than **75 calendar days**, in accordance with the Contract Documents. The number of calendar days from the date on which the Work is permitted to proceed, through the date set forth for Substantial Completion, shall constitute the Contract Time. The Work shall be carried on expeditiously, it being understood, however, that this Agreement may be extended or continued in force by the parties hereto in writing as provided herein.

The Contractor shall pay the City the sum of \$500.00 per day for each and every calendar day of unexcused delay in achieving Substantial Completion beyond the date set forth herein for Substantial Completion of the Work. Any sums due and payable hereunder by the Contractor shall be payable, not as a penalty, but as liquidated damages representing an estimate of delay damages likely to be sustained by the City, estimated at or before the time of executing this Contract. When the City reasonably believes that Substantial Completion will be inexcusably delayed, the City shall be entitled, but not required, to withhold from any amounts otherwise due the Contractor an amount then believed by the City to be adequate to recover liquidated damages applicable to such delays. If and when the Contractor overcomes the delay in achieving Substantial Completion, or any part thereof, for which the City has withheld payment, the City shall promptly release to the Contractor those funds withheld, but no longer applicable, as liquidated damages.

Substantial Completion

Substantial Completion shall mean that stage in the progression of the Work when the Work is sufficiently complete in accordance with this Contract that the City can enjoy beneficial use and occupancy of the Work and can utilize the Work for its intended purpose. Partial use or occupancy of the Project shall not result in the Project being deemed substantially complete, and such partial use or occupancy shall not be evidence of Substantial Completion.

Time is of the Essence

All limitations of time set forth in the Contract Documents are of the essence of this Contract.

Project Scope

This is a lump sum not to exceed project and will include but not be limited to the narrowing of Lanier Drive and the construction of approximately 1400 linear feet of five-foot wide, concrete sidewalk with 6 handicap ramps and 5 concrete driveway aprons. Work will include the installation of approximately 1080 linear feet of new granite curb & the adjustment of 250 linear feet of existing granite curb.

There will be pay items for the construction of up to 730 square yards of sidewalk, the removal of 110 square yards of sidewalk, 90 square yards of concrete driveway apron, and approximately 657 square yards of sod to be installed as directed by the Engineer. Approximately 1080 linear feet of new granite curb will need to be installed along the length of the project. In addition, roughly 250 linear feet of existing granite curb will need to be removed & reset along the new edge of pavement with a 6" reveal. Adequate care shall be taken by the Contractor to insure the existing granite curb is removed in a manner that the curb is not broken and is in a reusable condition. The City will not provide nor pay for replacement pieces damaged during the removal or relocation. Traffic signs are to be removed and replaced or added as specified per construction plans. Please refer to the bid schedule for specific quantities.

Project Scope shall also include the following:

1. Grading Complete to Include:
 - a. Site layout to include marking sidewalk path for City approval. Site preparation for sidewalk to include excavation and removal or import of material (**110 cubic yards Unclassified Excavation & 80 cubic yards of Borrow Excavation**) within construction site including; the demo & removal of up to 188 square yards of existing sidewalk; the demo & removal of approximately 200 LF of concrete curb & gutter; & the saw-cutting and removal of up to 345 square yards of existing pavement. (Various sections of the proposed sidewalk will utilize existing roadway area to place sidewalk and curb, e.g. a road diet). See construction plans.
 - b. Undercut excavation necessary to achieve appropriate compaction.
 - c. **Reset & replace all mailboxes affected by construction in kind.**
2. Site preparation for existing driveways to include excavation and removal or import of material for their replacement as specified by the Engineer.
3. Repair any landscape damages to match existing (e.g. replace with sod), and any clearing, grading, or tree/root removal necessary to complete the work.
4. The per unit pay item for the sidewalk shall include the installation of handicap ramps.
5. Traffic control shall be performed in accordance with City & MUTCD standards including the removal and reset of traffic signage.
6. Installation & maintenance of erosion control devices to include daily covering of any disturbed areas with straw mulch as well permanent grassing up to ¼ acre, in addition to sod placement.
7. The Contractor shall irrigate newly installed landscaping a minimum of six times, as directed by Engineer.
8. All testing of materials shall be in accordance with GDOT specifications.
9. Disturbed areas shall receive permanent stabilization if not sodded or stabilized as directed by the Engineer. If grassing activities are not in season, then rye grass or grassing as directed by the Engineer will be utilized. Once grassing is in season, the area will be prepared and reseeded with permanent grassing.

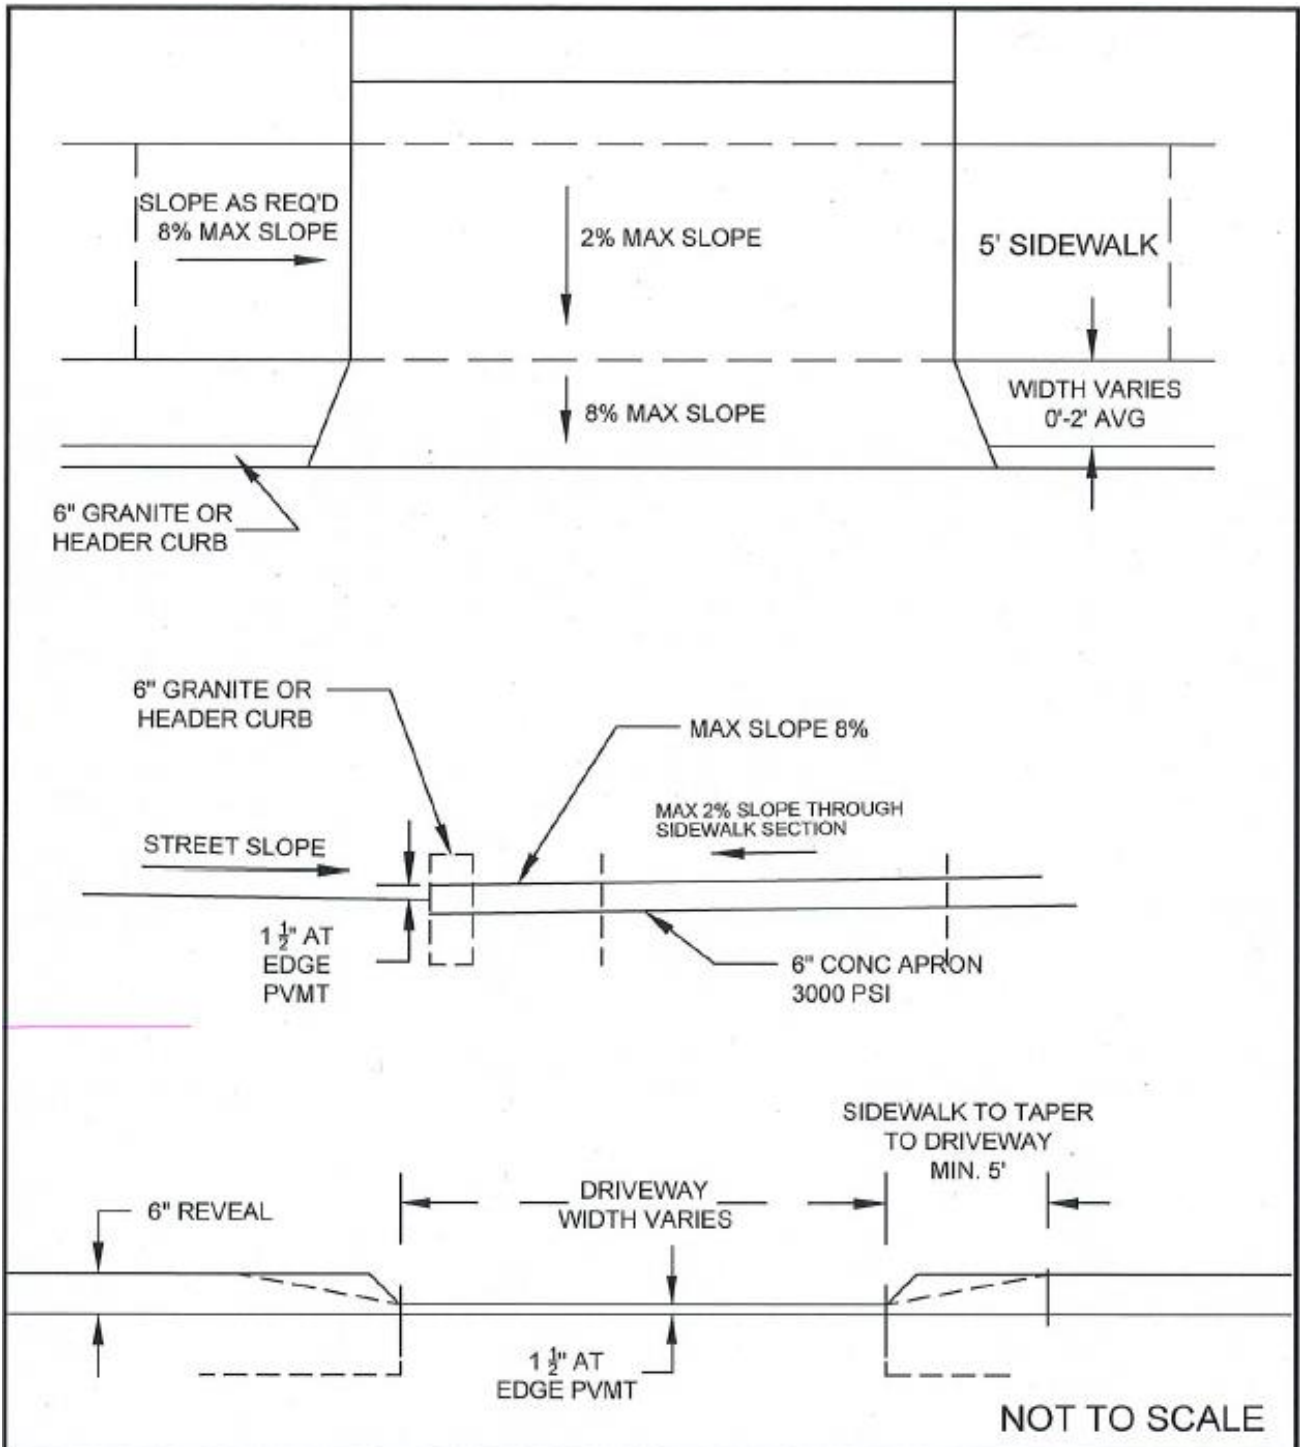

10. Any irrigation facilities and yard lights damaged during project activities shall be repaired and the Contractor shall coordinate with the facility owner.

General Notes:

1. The Contractor is responsible for calling for utility locations prior to the start of the project. It shall be the Contractor's responsibility to coordinate his work with any utility owner whom maybe in conflict with his work. No claims will be considered for extra compensation.
2. Any item which must be removed during the construction work and is not specially called for shall be removed by the Contractor. The cost shall be included in the unit cost for the bid items. No claims will be considered for extra compensation.
3. It is the intent of this contract for each unit price bid to include all labor, materials, equipment, tools, transportation, and supplies as required as necessary to complete the work in accordance with the plans, specifications as directed, and the terms of this contract. No additional unit costs shall be allowed for clearing, grubbing and/or grading activities unless otherwise specified.
4. All clearing, grubbing and/or grading activities shall be included in the unit cost for other items requested.
5. Contractor shall coordinate with property owners to ensure they have adequate access to all properties at all times.
6. The general descriptions of each item of work are as described in the Georgia Department of Transportation's standards and specifications, complete and accepted. Any conflicts which might occur during the course of the construction work or any conflicts which might be related to the compensation of any work shall be decided based on the Georgia DOT's standards and specifications. No claims will be considered for extra compensation.
7. Upon the completion of each project, any excess items which might be left over from the construction related work shall be removed and disposed of properly by the Contractor. The cost for such removal and disposal of such items will be included in the project bid items. No claims will be considered for extra compensation.
8. Under this scope, "Department", "Engineer", and "Resident Engineer" shall mean the "City of Brookhaven, Georgia, Public Works Director or City of Brookhaven, Georgia, Public Works Designee".
9. Working hours are expected to be Monday through Friday, 8:00 A.M. to 5:00 P.M. except where otherwise noted. Lane closures are limited to the hours of 9:00 A.M to 4:00 P.M. No work is permitted on city-observed holidays.
10. Contractor shall have all vehicles marked with their company name.
11. The Contractor will participate in one overall contract pre-construction meeting at Brookhaven City Hall shortly after award of the contract and other meetings as required. The City may at its discretion require meetings between the Contractor superintendent and the Engineer to be held once a week with two-week schedule look-a-heads or additional meetings to ensure project execution.
12. Any quantities of any of the pay items in the bid schedule of the contract that exceed the plan quantities will be installed on an as needed basis, as directed by the engineer.
13. The Contractor will provide video and pictures of the project area before the project begins and after the project is complete. The video and pictures will be provided to the City once it is complete in an acceptable format.

14. The City of Brookhaven will not provide restroom facilities.
15. The Contractor shall perform project housekeeping/clean-up daily. A 24-hour contact must be provided to the City of Brookhaven Call Center for all issues as needed in regard to the project for any safety, signage, erosion control, or other emergency as needed.
16. The Contractor's performance will be measured based on the following:
 - Compliance with the Scope of Work
 - Meeting the agreed upon schedule dates
 - Submission of all deliverables as specified

This bid will require bonds. Please see bonding documents at the end of this procurement. The City of Brookhaven will only accept one bid per contractor, company or consultant. If more than one is submitted, your bid will be rejected.

BONDING REQUIREMENTS

Each bid must be accompanied with a BID BOND (bond only: certified checks or other forms are not acceptable) in an amount equal to five percent (5%) of the base bid, payable to the City of Brookhaven. Said bid bond guarantees the bidder will enter into a contract to construct the project strictly within the terms and conditions stated in this bid and in the bidding and contract documents, should the construction contract be awarded.

The Successful Bidder shall be required to furnish a bond for the faithful performance on the contract and a bond to secure payment of all claims for materials furnished and/or labor performed in performance of the project, both in amounts equal to one hundred percent (100%) of the contract price.

The Successful Bidder shall also be required to furnish a Maintenance Bond, in the amount of one-third (1/3) of the contract price, guaranteeing the repair or replacement caused by defective workmanship or materials for a period of one (1) year from the completion of construction.

Bonds shall be issued by a corporate surety appearing on the Treasury Department's most current list (Circular 570 as amended) and be authorized to do business in the State of Georgia.

Date of Bond must not be prior to date of Contract. If Contractor is a Partnership, all partners shall execute Bond.
