

**REQUEST FOR PROPOSALS (RFP)**  
**RFP 18-153**  
**North Druid Hills Road Corridor Study**  
**ADDENDUM #3**

1. Does the City have more specific public involvement requirements or expectations outside of those presented within the RFP?

To expand on what is identified in 2.2 Scope of Work, the City would like to follow GDOT's Public Involvement Plan for NEPA Projects as applicable so that recommended projects, as desired, could be translated to the Atlanta Regional Commission and GDOT for requested inclusion into the TIP or other funding with approved concepts.
