

ADDENDUM #3

Design Services Parks

1. What is the mailing address and/or delivery location for the submittal package as inferred in 3.3 of the proposal? **Answer: City of Brookhaven 4362 Peachtree Road, Brookhaven GA 30319**
2. Has architectural design for proposed structures been completed for the proposed park elements or are additional drawings required? To what detail/extent are they complete? **Answer: Currently the designs are all conceptual for the proposed park structures. The conceptual drawings to date are at 60%.**
3. Will current survey data/GIS and previously versions of the engineering drawings be available in CADD format for use in completing these projects? **Answer: Our most recent survey of the park included in this proposal will be available. Any of the previous drawings that are available in CADD form will also be available.**
4. What are the specific requirements of Public Outreach? **Answer: To review the progress of the projects.**
5. Is the Consultant responsible for advertising and posting public meetings? **Answer: The City would be responsible for and posting public meetings.**
6. Will City facilities be available for use for meetings related to internal operations and public outreach?
Answer: City Facilities can be made available for use for meetings related to internal operations and public outreach.
7. Because of the holiday and the addition of the two parks, is there any way we can get extension on the due date, please? **Answer: We have not added two parks to this procurement proposal. We can extend the deadline for proposals to Friday, January 18, 2019 at 12:00 PM EST.**
8. **Brookhaven Park will no longer be a part of this proposal.**
