

ITB 19-287

**Blackburn Park
Fencing**

ADDENDUM #1

1. The plans reference the stacked Stone columns matching a restroom building. There appears to be a restroom building being built at Blackburn Park, but there is currently no stacked Stone installed on it. Is there a stone already approved for this restroom? Please provide more information regarding this material.

Answer: The reference to a restroom building in Detail 2 / C4.02 is to be replaced with the following language: "Samples to be submitted and approved". Refer to Stone Callout on Detail 1 / C4.02 for similar language.

2. Is a Ga. General Contractor License required for this project?

Answer: Yes, a General Contractor License is required.

3. Do you have an installer already for this project or are you in need of an installer?

Answer: This bid is for a contractor to install the fencing and columns as shown on the plans.

4. What type of material are you looking for? Aluminum fencing? Wood fencing? Vinyl fencing?

Answer: Prospective bidders to review the Plan Set and Details for proposed materials.
