

ADDENDUM #1
REQUEST FOR QUALIFICATIONS (RFQ)
RFQ 19-285
Engineering Design Services
for
Peachtree Creek Greenway Phase II GDOT PI #PI10016053

It was stated in the RFQ 19-285 **Section VI. Cost Proposal** that cost submittals were requested and should be submitted in a separate sealed envelope. After further review it has been determined that the cost should NOT be submitted at the time of the Engineering Design Services proposal submittal. This is a Technical qualification based selection and cost is not considered in this selection. We are seeking the most qualified proposal and the costs should NOT be included at this time.
