

Understanding Your DeKalb County Property Tax Bill

The DeKalb County property tax statement (example below) is a summation of all property tax information specific to an individual property and delineates your county, schools, and city property tax liabilities as calculated by the DeKalb County Tax Commissioner. This document has been created help property owners understand their tax statement as well as how the net tax due is calculated. For the purposes of this instructional, the 2020 DeKalb County Real Property Tax Statement is used.

Appraisal Values and Exemption Information

Located in the top right corner of the property tax statement are several numeric values which illustrate the property's total appraisal, 40% assessment value, and base assessment freeze value, as well as a code indicating the type of exemption applied to the property. Each of these items are defined below.

Total Appraisal (\$764,800) - This amount represents the fair market value of the property as determined by the DeKalb County Property Appraisal Department and is the value from which all subsequent tax calculations originate.

40% Assessment (\$305,920) – Georgia State Code (O.C.G.A. 48-5-7) states that all taxable tangible property must be assessed at 40% of its fair market value. This is the maximum value a property may be taxed upon in the absence of a homestead exemption and/or a base assessment freeze.

In the case of this particular property tax statement, there have been no adjustments made as the result of an assessment appeal.

Base Assessment Freeze (\$275,360) – The Base Assessment Freeze is the property value from which taxes are calculated. For County property taxes, the base freeze is the result of a successful property assessment freeze application. This freeze for assessment purposes protects property owners from increased DeKalb County property tax liability in the event the property increases in value. Note, the freeze does not apply to school property taxes.

Property Tax Authorities

The Real Property Tax Statement contains three separate sections for taxation, one for each taxing authority (see below). The first reflects DeKalb County property taxes and the calculation of the amount levied for each individual DeKalb County property tax. The second is the DeKalb County Board of Education "School OPNS" property tax, and the third section contains the city and state property taxes as well as utility charges. Each section details the property taxes levied by each entity as well as the calculation, and concludes with the Net Tax Due.

How Are Property Taxes Calculated?

When calculating property taxes, the rates are applied to the "TAXABLE ASSESSMENT" (\$305,920). As noted earlier, the taxable assessment is 40% of the total appraised value (\$764,800). The resulting number is the "GROSS TAX AMOUNT". Then, all exemptions and the E-HOST credit are applied in sequence. Below is a step-by-step process outlining the calculation and how the "NET TAX DUE" is determined.

The "NET TAX DUE" is determined in the same fashion for each taxing authority, but the exemptions and credits may differ by taxing authority (i.e., county, schools, and city). The following example demonstrates the property tax calculation for the first line of the property tax statement "COUNTY OPNS". This example is followed by the City of Brookhaven portion of the property tax statement.

1. Using the TAXABLE ASSESSMENT (\$305,920), multiply it by the corresponding millage rate (.0093660). This will result in the GROSS TAX AMOUNT (\$2,865.25). This would be the amount a property owner would pay in the absence of any exemptions or credits.

The millage rate is set by the taxing authority (county, schools, or city). The millage rate is typically referred to as the amount per \$1,000 of TAXABLE VALUE. Thus, the presentation of the millage rate can be either .0093660 or 9.366 per \$1,000.

The next step is determining the NET TAX DUE is calculating exemptions and credits.

2. First exemption is the FROZEN EXEMPTION. This is done by multiplying the NET FROZEN EXEMPTION (\$30,560) by the corresponding millage rate (.0093660) which results in a FROZEN EXEMPTION of \$286.22.

3. The second exemption is the homestead exemption "CONST-HMST EXEMPTION". Property owners who live in their DeKalb County property are eligible for a \$10,000 homestead exemption. The homestead exemption is calculated by multiplying the homestead exemption amount (\$10,000) by the millage rate (.0093660), which results in a \$93.66 homestead exemption.

NOTE: Property owners must apply annually for this exemption through the DeKalb County Tax Commissioner's Office.

4. The next column on the property tax statement is the "E-HOST TAX CREDIT". In November 2017, the voters of DeKalb County approved an E-HOST ballot issue that totals a 1% sales tax that is applied entirely as a property tax credit. Concurrent with voter approval of the E-HOST, voters approved a Special Purpose Local Option Sales Tax (SPLOST) of 1% for transportation infrastructure, public safety facilities, and maintenance of existing capital assets.

The value of the E-HOST credit varies annually based on actual sales tax collections and the value of annual homestead applications received. For 2020, the E-HOST credit was approximately 81.9% of the Gross Tax amount net of the frozen and homestead exemptions.

Brookhaven City Property Tax Calculation

Though the methodology detailed above remains constant throughout the calculation of each levied property tax on the property tax statement, the City of Brookhaven has two variations. First, Brookhaven property owners of homesteaded properties have their assessments frozen from the time of purchase or from the City's incorporation in 2012, which is ever most recent date. The second variation is that the homestead exemption amount is \$24,000, which is higher than the homestead exemption amount used for the county property taxes (\$10,000) and the schools property taxes (\$12,500).

Unfortunately, the City base assessment freeze value does not appear on the DeKalb County Property Tax Statement and the absence of this information can hamper a thorough understanding of the bill. The following steps will illustrate the process of calculating both the City base assessment freeze value as well as the City tax liability.

To calculate the base assessment freeze value for City taxes, divide the FROZEN EXEMPTION for CITY TAXES (\$83.72) by CITY TAXES MILLAGE (.0027400). This results in a value of \$30,555 exempted TAXABLE ASSESSMENT. To determine the net frozen exemption for calculating CITY TAXES, subtract the \$30,555 exempted assessment from the TAXABLE ASSESSMENT (\$305,920) for a frozen assessed value of \$275,365 for CITY TAXES purposes.

\$83.72 ÷ .002740 = \$30,555

\$305,920 - \$30,555 = \$275,365

TAXING AUTHORITIES	TAXABLE ASSESSMENT	MILLAGE	GROSS TAX - AMOUNT	FROZEN EXEMPTION	CONST-HMST - EXEMPTION	E-HOST - CREDIT	NET TAX DUE
CITY TAXES	305,920	.0027400	838.22	83.72	65.76	0.00	688.74

COUNTY SUBTOTAL							438.36

The next exemption for City taxes is the homestead exemption "CONST-HMST EXEMPTION". Property owners who live in the City of Brookhaven are eligible for a \$24,000 homestead exemption. The City of Brookhaven homestead exemption is calculated by multiplying the homestead exemption amount (\$24,000) by the millage rate (.0027400), which results in a \$65.76 homestead exemption. NOTE: Property owners must apply annually for this exemption the DeKalb County Tax Commissioner's Office.

With the exemptions calculated, the NET TAX DUE for CITY TAXES can be calculated.

\$838.22 GROSS TAX AMOUNT for CITY TAXES
-\$83.72 FROZEN EXEMPTION for CITY TAXES
-\$65.76 CONST-HMST (homestead) for CITY TAXES
\$688.74 NET TAX DUE for CITY TAXES

CITY BONDS - To calculate the base assessment freeze value for "CITY BONDS", divide the FROZEN EXEMPTION for CITY BONDS (\$17.41) by CITY BOND MILLAGE (.0005700). This results in a value of \$104,719 exempted TAXABLE ASSESSMENT. To determine the net frozen exemption for calculating CITY BONDS, subtract the \$30,543 exempted assessment from the TAXABLE ASSESSMENT (\$305,920) for a frozen assessed value of \$275,376 for CITY BONDS purposes.

\$17.41 ÷ .000570 = \$30,544

\$305,920 - \$30,5444 = \$275,376

The next exemption for CITY BONDS is the homestead exemption "CONST-HMST EXEMPTION". Property Owners who live in the City of Brookhaven are eligible for a \$24,000 homestead exemption.
