Business Occupational Tax Certificates are valid for a calendar year, January 1 through December 31, and must be renewed by April 30th of each year. All certificates shall be assessed a penalty in the amount of ten percent (10%), plus 1% interest per month on the amount owed for each calendar year or portion thereof for taxpayers who fail to file their renewal by April 30th or fail to register and obtain an occupational tax certificate within thirty (30) days of the commencement of business, additional fees may apply.

*******IMPORTANT PLEASE READ*******
*******Additional Documentation Required*******

As Required by O.C.G.A ~ 36-60-6(a): Before any county or municipal corporation issues a business license to any person engaged in a profession or business required to be licensed by the state under Title 43, the person must provide evidence of such licensure to the appropriate agency of the county or municipal corporation that issues business licenses. No business license shall be issued to any person subject to licensure under Title 43 without evidence of such licensure being presented.

If it is determined your occupational license requires board certification, you must submit a copy of that certification along with your renewal. Failure to supply this documentation could result in a delay of the issuance of your certificate.

This form must be completed in full, signed by an officer of the company, notarized and returned along with your completed renewal worksheet and payment in full. As specified on the Affidavit, you must also provide at least one "secure and verifiable" document with the completed Affidavit. Some examples of a secure and verifiable document are a current state issued ID, driver's license or pass port. For a full list of acceptable documents please visit the Avenu website at www.revds.com (Taxpayer → Georgia → Taxpayer Forms) or the Attorney General of Georgia's website at <http://law.ga.gov>. **This application will NOT be processed without a secure and verifiable document as required by Georgia law.**

Immigration Legislation (HB87) Passed on April 14, 2011: Effective July 1, 2013, any private company with more than 10 full-time employees, along with every public employer, regardless of its size, must register with the federal E-Verify program to check the legal status of new hires.
