NORTH DRUID HILLS ROAD CORRIDOR STUDY DRAFT FINAL RECOMMENDATIONS

Second Public Open House - March 11 & 14, 2019

Pedestrian Crossings

Between Sylvan Cir and Thornwell Dr

North of Colonial Dr

South of Brookshire Ln

South of Gail Dr

Across E. Roxboro Rd, north of Goodwin Rd

Example of Pedestrian-Actuated Crossing

Rectangular Rapid-Flashing Beacon (RRFB) on Decatur Street in front of the King Memorial MARTA Station - pedestrian-actuated beacons alert motorists when people are crossing the road

Public Art and Streetscape Elements

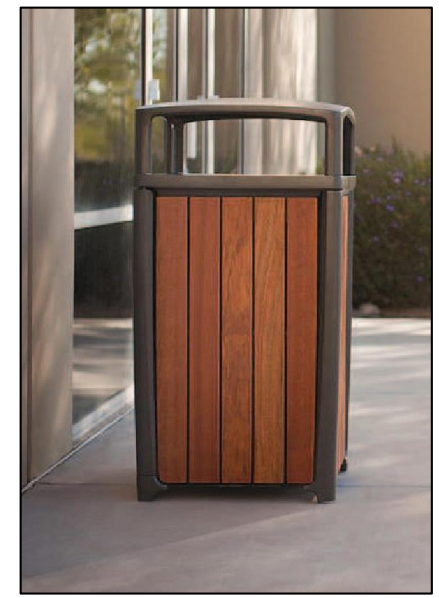

Signature mural on wall near Brookhaven MARTA Station (sample rendering)

Granite Wall

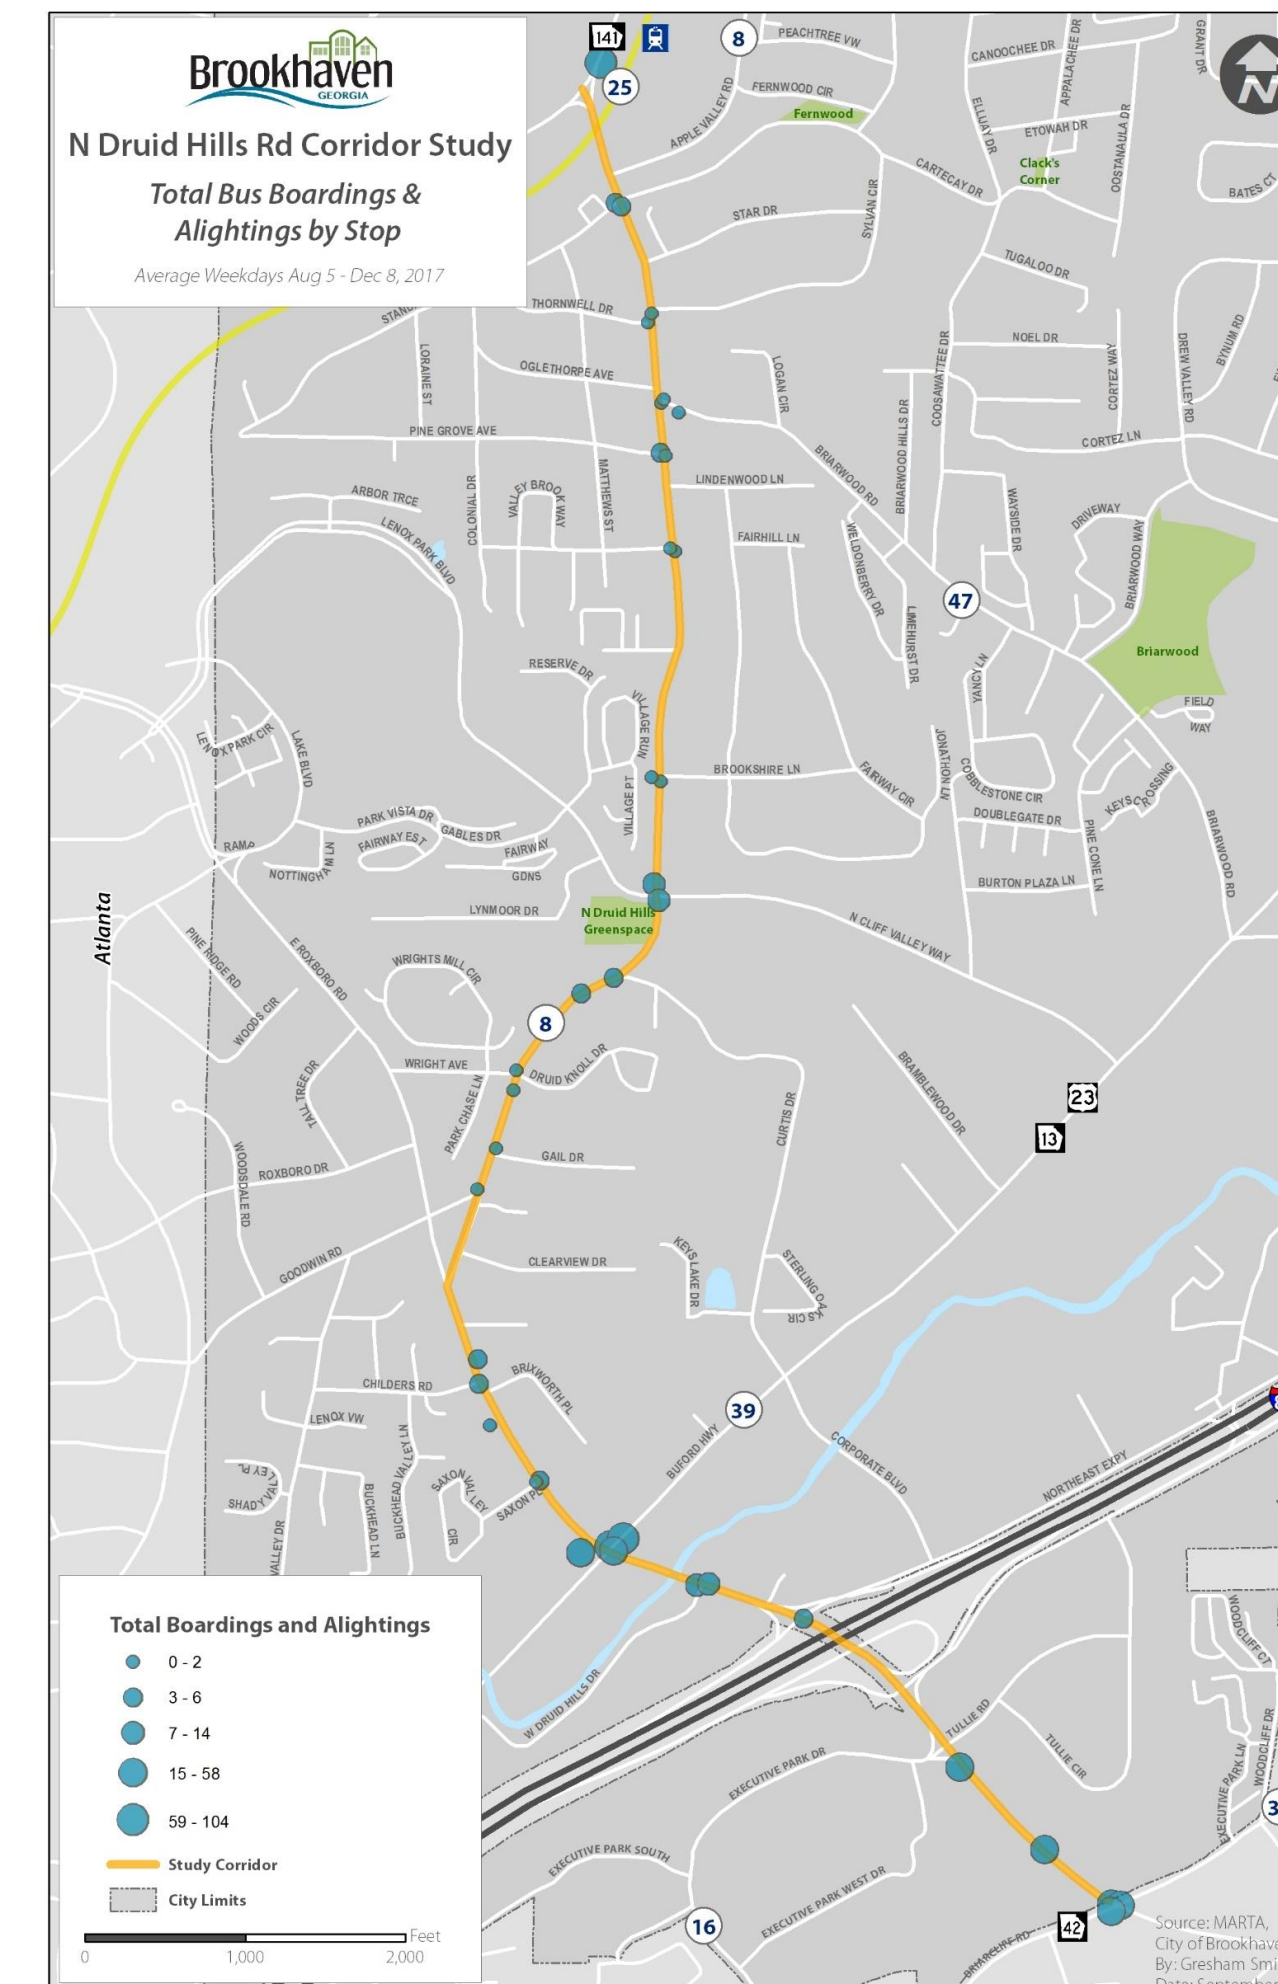

Bench

Trash Receptacle

Sample streetscape elements from City Streetscape Design Standards (2018)

Transit-Supportive Strategies

MARTA will continue to evaluate possible consolidation of bus stops in order to improve operations and better align stops with opportunities to cross N. Druid Hills Rd.

Existing "Don't Block the Intersection" signage and pavement markings at N. Druid Hills Rd and Saxon Pl (above); the City will install similar treatments at the MARTA Station bus exit on N. Druid Hills Rd (below) to improve bus turning movements and service.
