6' Vertical Slatted Black Standard Bench

w/memorialized plaque

Swing Bench Memorial \$1700+

6' Slatted Black Swing Bench

w/memorialized plaque

Playground Memorial

(Cost dependent on equipment selected)

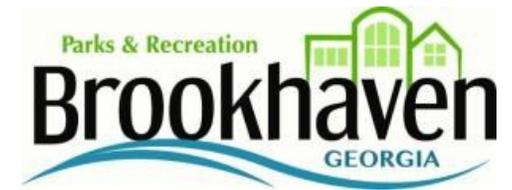

"Trees can reduce the heat of a summer's day, quiet a highway's noise, feed the hungry, provide shelter from the wind and warmth in the winter. You see, the forests are the sanctuaries not only of wildlife, but also of the human spirit. And every tree is a compact between generations." - George Bush, Sr.

To participate within this program begin by completing donation form. Please mail or email it to the following

What is the Memorial Donation Program?

The Memorial Donation Program provides an opportunity to honor people and commemorate special events by donating a tree, a park bench or even playground equipment to one of our beautiful parks.

A memorial donation is a unique gift that lasts several lifetimes, a wonderful way to cherish the memory of a loved one, celebrate a birth, honor personnel in uniform, and commemorate a wedding or anniversary.

Tree Contribution

The funds received in the Legacy Donation Program are used to purchase the trees, commemorate the person and or event, provide care and protection for the tree, and help reforest our parks.

Each tree purchased will be hand selected in conjunction and coordination with our City Parks and Recreation staff and Arborist. Each tree will be strategically placed in one of our city's parks. The trees will be at minimum 1 to 2 inches in caliper and/or 30 gallon pots. Tree species will be selected by staff to best fit the location and to encourage a diverse and healthy urban forest.

Note that trees will be planted during the planting season as designated by the City Arborist. Donations for a tree planting begin at \$300 will fluctuate based on availability and season.

Bench Contribution

Another option (or in combination) you may wish to consider is donating a park bench. The memorial bench will provide a peaceful place to rest and a plaque on the backrest will commemorate the honoree or event of your choice.

Note that benches will be installed once they have been received and will be selected by staff per design standard. Currently, benches begin at \$800 per standard bench and begin at \$1700 per swing bench.

Playground Equipment

Lastly, (or in combination), you may want to donate funds that can be used to purchase a piece of playground equipment for one of our many playgrounds located in one of our many beautiful parks. Parks and Recreation staff will assist in the coordination and selection of proposed equipment.

A Wonderful Tribute Suited to Many Situations

Civic organizations and businesses may wish to dedicate trees as a living tribute to prominent members, employees or simply to help the beautification of our park's system.

A permanent record of all Memorial Donations will be kept at Brookhaven Parks and Recreation Offices. You will receive a certificate suitable for framing, including the honoree name, donor name, occasion, date, the location of the tree/bench/playground equipment, tree species and number of trees you have helped plant.

*All donations are *tax deductible* as long as your check is made out to the City of Brookhaven.

Contact us for additional Memorial donation Information/applications.
