

MURPHEY CANDLER PARK COMMUNITY CENTER

PUBLIC INPUT TOOLKIT

INPUT SOLICITED ON:
DESIGN AND PROGRAMMING

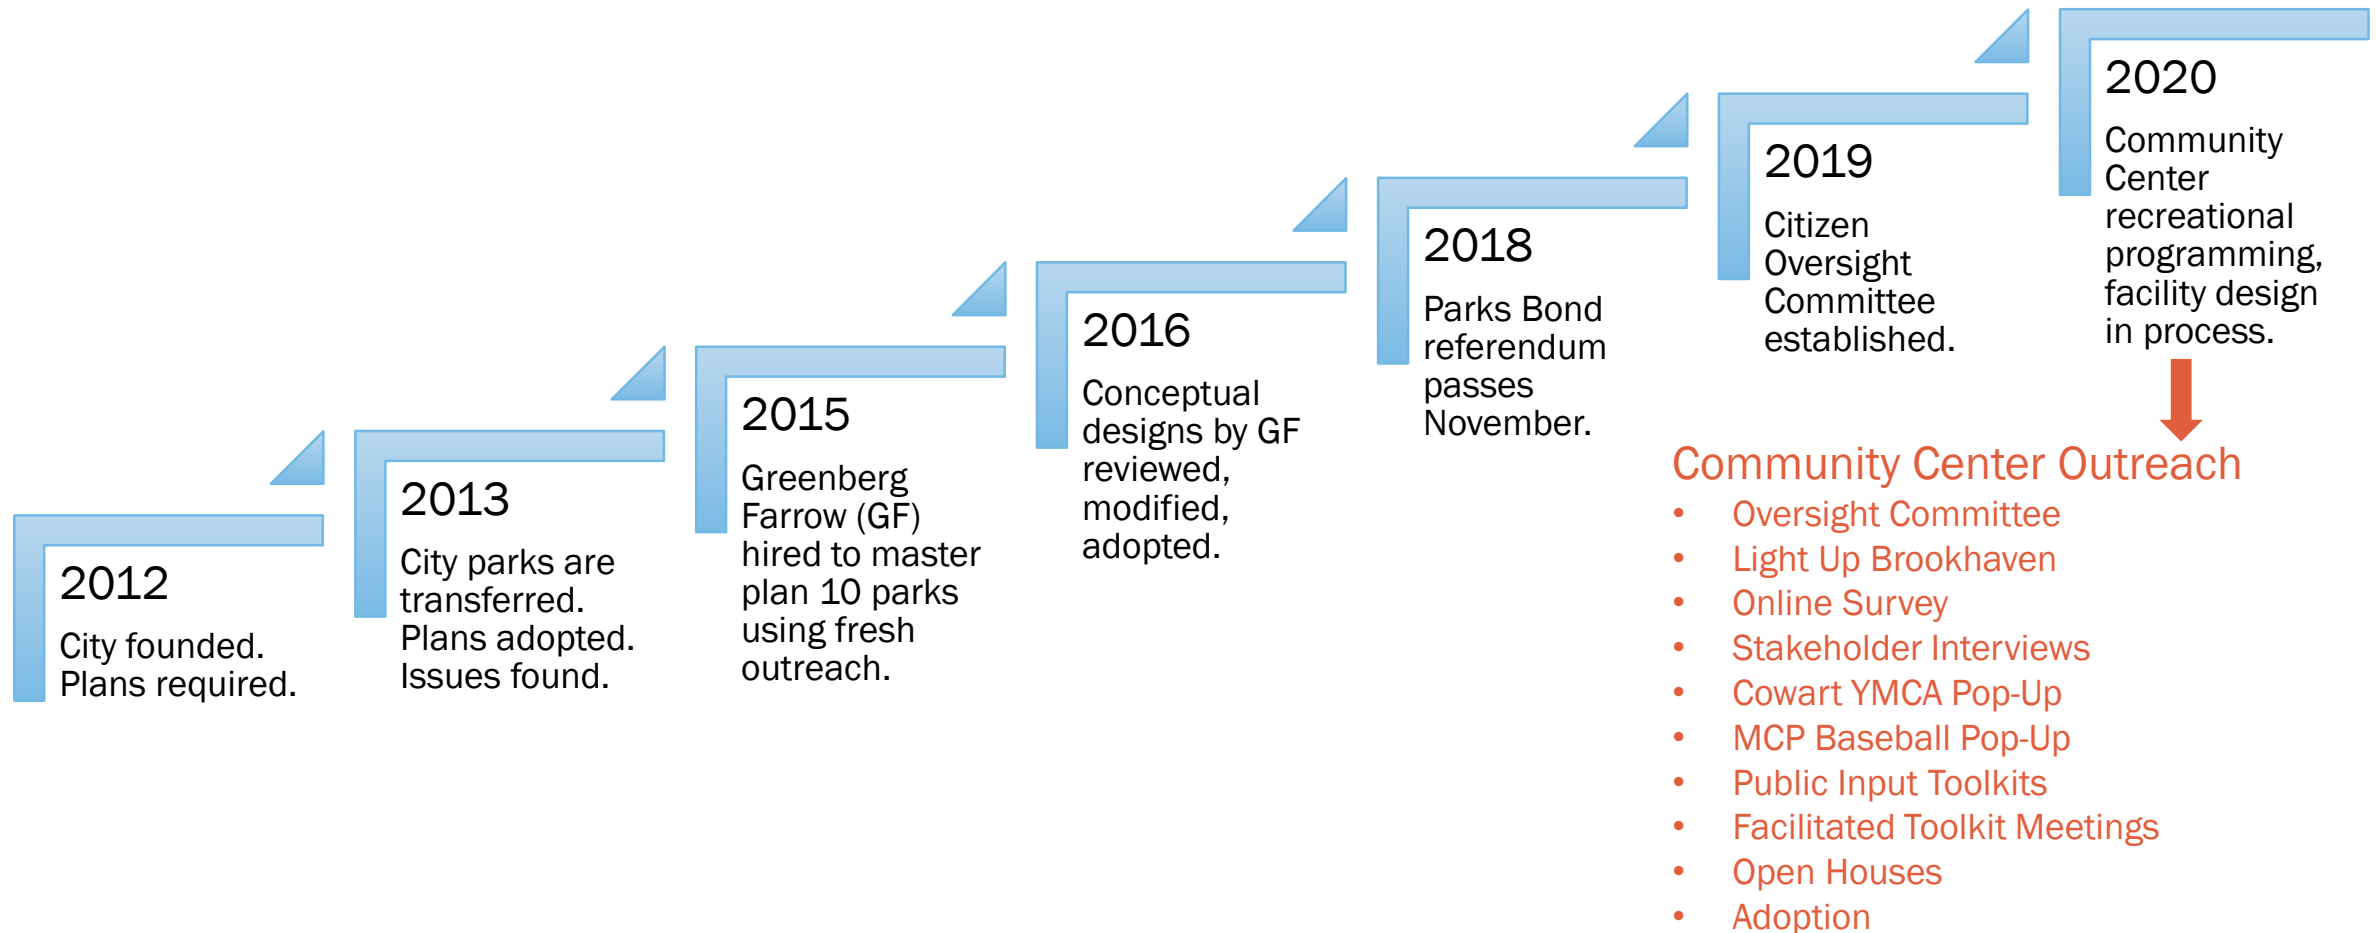

SIGN-IN / AGENDA OVERVIEW

- I. Project Overview
- II. Public Input Recap
- III. Feedback
- IV. Activity #1
- V. Activity #2
- VI. Summary and Next Steps

I. PROJECT OVERVIEW

Status:

Engineering Plans for all capital improvements approved under the 2018 Parks Bond Referendum are being drafted, including for various improvements proposed for Murphey Candler Park (MCP).

2016 CONCEPTUAL DESIGN

II. PUBLIC INPUT RECAP

Community Center Outreach

Light Up Brookhaven:

Determine high-level programming/facility preferences (based on 2014 Parks Plan).
Share MCP master plan and inform about Parks Bond Program.

Online Survey:

Determine programming/facility preferences (refine by what is NOT desired).
Determine demographics and communication methods.

Cowart YMCA Pop-Up:

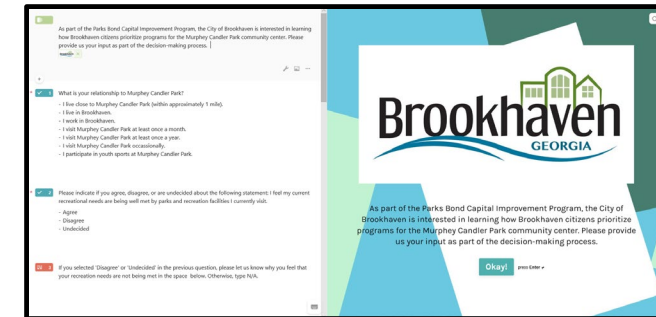

Determine programming/facility preferences (refine by cost of construction).
Collect comment cards.
Understand programming priorities, desired size and scale of amenities, and understand budget constraints.

MCP Baseball Pop-Up:

Determine programming/architectural preferences.
Prioritize preferences and scale based on budget constraints.

Public Input Toolkits**:

Determine programming/architectural preferences (refine by individual ranking).
Prioritize preferences and scale based on budget constraints (generating consensus with group activity).

III. FEEDBACK

Community Center Preferences

1. Top desired programs – restrooms; small group meeting space (up to 20-30 people); outdoor overlook
2. Top undesired programs – indoor swimming pool; indoor track; fitness room
3. Natural, simple, minimal aesthetic that blends into the surrounding natural character of the park

General Concerns

1. Traffic/congestion/parking
2. Preservation of trees and natural surrounding
3. Safety
4. Support existing park and local, Brookhaven users - not a regional destination

IV. ACTIVITY #1

- 10 minutes to complete.
- Complete this activity as an individual.
- Follow link to get to activity.
- Programming (building activities)
 - 10 rating questions + images.
 - Rate each image/program from 0-5 based on how appropriate they are for the Murphey Candler Park Community Center.
 - One open-ended.
- Architectural components
 - 5 rating questions + images.
 - Rate each image/program from 0-5 based on how appropriate they are for the Murphey Candler Park Community Center.

murphey candler park community center

We want to design a community center for your community—could you help us out for a few minutes and let us know how we can do that?

Sure, let's start

	Priority
Purpose meeting/instructional rooms	
Community events (rental space for community functions)	
Kitchenette (for small catered functions)	
Art room	
Indoor walking/running (a corridor with measured distances)	
Dance/yoga studio	
Water sports (canoe and kayak rental)	
Outdoor overlook (nature gazing, birdwatching, etc)	
Restaurant/café space	
Other:	

Architectural Components:	Priority
Large picture windows	
Granite	
Large deck	
"Lake Lodge" aesthetic	
Sustainable building certification (LEED, EarthCraft, etc)	
Other:	

General Comments:

a. Large picture windows (don't get stuck on the architecture)

V. ACTIVITY 2

- 20 minutes to complete.
- Complete this activity as a group. You will be sent to a breakout room of up to 5 people.
- Once in room, select person to write in group selections on the spreadsheet. This person will also report back decisions to the full meeting.
- Follow link to get to spreadsheet – you'll need it either as the recorder or for reference during discussion.
- Inside the room, discuss the menu of options. Determine, as a group, which you would like to purchase.
- Each group has a budget of 24 coins. Sum of your selections cannot exceed this amount.
- Can purchase multiples of any option. Not required to spend it all.
- When you buy something, 'pay up' under the payment received column. If you buy multiples, make a note.
- Report back.

Activity 2 Worksheet

As a team, determine which programs you should buy. You have 24 "coins" to spend. You can only purchase a program if you have the required coins available. Instead of physical coins, you will have virtual coins—by simply noting the payment amount in the "Payments Received" column.

Program	Cost and Size	Payment Received
Restroom facility – required purchase	6 coins	6 coins
Warming kitchen (warming carts, sinks, refrigerator, dishwasher, countertops)	8 coins	
Large function space	Seats 20-30 people – 6 coins Seats 31-50 people – 8 coins Seats 51+ people – 10 coins	
Multi-purpose meeting/instructional rooms	Seats 1-10 people – 4 coins Seats 11-20 people – 5 coins Seats 21+ people – 6 coins	
Multi-purpose meeting/instructional/art rooms	Seats 1-10 people – 6 coins Seats 11-20 people – 7 coins Seats 21+ people – 8 coins	
Dance/yoga studio	Fits 1-10 people – 3 coins Fits 11-20 people – 4 coins Fits 21+ people – 5 coins	
Water sports equipment rental (canoes, kayaks, etc)	5 coins	
Outdoor overlook deck	4 coins

VI. SUMMARY AND NEXT STEPS

Activity 2 Reporting

Next Steps

- Sign-in using Google spreadsheet, if you've not already done so.
- Continue to receive updates at:
<https://www.brookhavenga.gov/parks-bond-ref>
- Community Open Houses
View conceptual designs, and provide feedback.
- Adoption
- Construction drawings
