

September 16, 2019

Dear Neighbors,

The City of Brookhaven and our Parks and Recreation Department is excited to announce that construction of the new Briarwood Park Pool is ready to get started. The pool and pool house will be on a tight schedule to be finished and ready for opening at the beginning of next summer on Memorial Day weekend 2020. Please excuse our dust and any truck traffic during the construction process.

On the back of this letter is a rendering of the new pool facility which will include a zero-entry pool with spray features for play. The zero-entry pool transitions into a six-lane competition pool that will be used by swim teams that operate out of the park. The cool surface pool deck will include a new pavilion and umbrellas for shade. The new pool house will include restrooms, locker rooms, ticket office, concessions, and a lifeguard office.

Construction of the new pool is funded by the voter-approved Park Bond Capital Improvement Program which was passed in November 2018. More information on the Park Bond Capital Improvement Program and updates on the pool construction progress can be found at www.brookhavenga.gov/parks-bond-ref. If you have any questions, comments, or concerns about the Parks Bond Capital Improvement Program or the Briarwood Park Pool Project, please submit them to the City at the email address below parksfeedback@brookhavenga.gov and we will get a response back to you promptly.

Thank you again for support of our City's parks. I look forward to enjoying this new facility along with you next summer.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Ernst", is written over a blue ink stamp of the same name. The signature is fluid and cursive.

Mayor John Ernst
