BPD COMMUNITY CRIME MAP

Step by Step Instructions to Pull Crime Data

01 Visit Community Crime Map

Our crime data can be found at: www.communitycrimemap.com

02 Find Brookhaven PD Data

On the map, click on the state of Georgia, then select Brookhaven

03 Add in Brookhaven Agency Layers

On the toolbar to the left, click the drop down for "Agency Layers" and select Brookhaven, GA "Beats" or "Neighborhoods" to visualize area boundaries

04 Choose Date Range

Either select a "Quick Date" range or customize a "Start Date" and "End Date" for your search

05 Select Type of Crime Data

Click the drop down for "Event" and select types of incident data to be shown

06 Explore Incident Information on Map

Pan around map and select each icon for additional information related to each incident. Information available includes: incident number, crime type, date, time, and partial address

Map   Data Grid   Analytics   Metadata

ANALYTIC LAYERS

Selecting "Analytic Layers" on the left toolbar will provide a density map to visualize denser crime areas

DATA GRID

Selecting "Data Grid" on the top toolbar will allow incidents to be seen in a table format

ANALYTICS

Selecting "Analytics" on the top toolbar will provide a visual analysis of the selected crime
