Such exceptions must be specific, and the Proposer must state a reason for each exception and propose alternative language, if appropriate. The purpose of the exception process is to permit the City to correct, prior to the opening of the proposals, any technical or contractual requirement, provision, ambiguity or conflict in the solicitation and related documents, which may be unlawful, improvident, unduly restrictive of competition or otherwise inappropriate. Any corrections will be made via an addendum issued prior to the submission deadline. Unless timely submitted as an exception and amended with an addendum, any such ambiguity, conflict or problem shall be resolved in favor of the City of Brookhaven. Proposers shall not substitute entire agreements or sets of terms and conditions but discuss separately each term or condition that they take exception to or desire to change.
- 2.2 The City will award one (1) single contract for the services required under this solicitation.
- 2.3 A Proposer's Proposal prices shall remain firm for 180 days from the submission deadline. Any anticipated increases in Proposer's costs during the initial term of the Contract must be reflected in its prices set forth in its Proposal. The City shall not be obligated to renegotiate or increase any price for any work during the initial term of the Contract based on a Proposer's mistake or miscalculation of prices, underestimation of costs, or for any other reason. All of the Proposer's overhead costs, including, but not limited to, costs of travel and the required bonds and insurance coverage, shall be included in such Proposer's prices listed in its Proposal.
- 2.4 The Contract, if awarded, shall not be construed to create unto the Contractor any exclusive rights with respect to any of the City's requirements. The City may in its sole discretion award any additional or similar services to any third party, or if the Contract is for the provision of services, the City may elect to perform all or a portion of the services by its own employees.
- 2.5 There shall be no reimbursable or travel expenses associated with this project regarding any category or term. Without limiting the generality of the foregoing, all of the Proposer's overhead costs related to travel shall be included in such Proposer's prices in its Proposal.
- 2.6 The City will contract with the successful Proposer to provide services indicated in the Specifications throughout the duration of the Contract at the price submitted. The City will not price a contract for hourly rates.

3. ENVIRONMENTAL SUSTAINABILITY

The City of Brookhaven is committed to environmental sustainability. The City believes we have a unique opportunity to further expand our leadership in the area of environmentally preferable purchasing, and through our actions, elicit changes in the marketplace. By further incorporating environmental considerations into public purchasing, the City of Brookhaven will positively impact human health and the environment, remove unnecessary hazards from its operations, reduce costs and liabilities, and improve the environmental quality of the region. As such the City encourages the incorporation of environmental sustainability into proposals.

4. EXAMINATION OF PROPOSAL/CONTRACT DOCUMENTS

All prospective Proposers shall thoroughly examine and become familiar with the Proposal package and carefully note the items which must be submitted with the Proposal. (These Instructions to Proposers, the Request for Proposal, the Proposal Forms, the Contract, the General Conditions, and the Specifications are referred to herein as the "Proposal Documents" or the "Contract Documents.") Submission of a Proposal shall constitute an acknowledgment that the Proposer has read and understands the Proposal Documents. The failure or neglect of a Proposer to receive or examine any Proposal Document shall in no way relieve it from any obligations under its Proposal or the Contract. No claim for additional compensation will be allowed which is based upon a lack of knowledge or understanding of any of the Contract Documents or the scope of work.

5. ADDENDUM(S)-CHANGES WHILE PROPOSING

Other than during the Pre-Proposal Conference, the City shall not be required to provide to any Proposer verbal interpretations as to the meaning of any portion of the Proposal Documents. Requests for interpretation, clarification or correction of Proposal Documents, forms or other material in this Proposal Package should be made in writing and delivered to the City, Purchasing Office, 41 Perimeter

Center East, Suite 250, Brookhaven, Georgia 30346, or by e-mail to purchasing@Brookhavenga.gov or facsimile to (678) 382-6701 at least five (5) business days before the date and time announced for the Proposal opening. Any response by City to a request by a Proposer for clarification or correction will be made in the form of a written Addendum. All parties to whom the Proposal packages have been issued will be sent a notification of the issuance of an Addendum either by e-mail and/or by facsimile. The Addendum may be electronically downloaded by visiting either the City web site at <http://www.Brookhavenga.gov> or by visiting Georgia's Department of Administrative Services (DOAS) web site at http://ssl.doas.state.ga.us/PRSapp/GPR_P_start.jsp. However, prior to submitting its response, it shall be the responsibility of each Proposer to visit the City website to determine if addendum(s) were issued and, if so, to obtain such addendum(s).

6. PREPARATION OF PROPOSALS

- 6.1 Proposals shall be submitted on reproduced copies of the attached Proposal Forms including any revised or additional Proposal Forms supplied by Addendum(s). If an award is made, the completed Proposal Forms shall constitute a part of the Contract Documents and will be incorporated in the final Contract between the City and the successful Proposer. All blank spaces in the Proposal Forms should be filled in legibly and correctly in ink or type.
- 6.2 All Proposals shall contain the name and business address of the individual, firm, corporation, or other business entity submitting the Proposal and shall be subscribed by either the individual, a general partner, a member of a member-managed LLC, a manager of a manager-managed LLC, or an authorized officer or agent of a Corporation or business entity, and should be properly witnessed or attested. If any officer or agent other than the signatories described in the preceding sentence shall sign any Contract Document on behalf of the Proposer, the City should be furnished with satisfactory evidence of such officer's or agent's authority to bind the Proposer with respect to the contents of the subject Proposal Documents so signed by him or her. If the Proposer is an LLC, the Proposer should submit with its Proposal its Articles of Organization or other evidence satisfactory to the City, indicating whether the LLC is member-managed or manager-managed, and indicating that the person executing the Proposal is authorized to bind the LLC.
- 6.3 If the Proposer is a partnership, joint venture, or sole proprietorship, the City, reserves the right to require the Proposer to submit to the City at any time the name and business address of each owner, principal, partner, or member of the Proposer having an ownership or management position with the Proposer.
- 6.4 If the Proposer is a corporation or other state-chartered business entity, the City reserves the right to require the Proposer to submit to the City at any time, the name and business address of each officer, director and holder of 10% or more of the stock or other ownership interests of such corporation or other business entity. If the Proposer is a corporation, the Proposal should have the corporate seal affixed and include the name of the State in which it was incorporated. If the Proposer is a foreign corporation or other state-chartered business entity and is the successful Proposer, the Proposer will be required to submit evidence prior to the execution of the Contract, if awarded, that the corporation or other state-chartered business entity is authorized to do business in the State of Georgia and the City. If the Proposer elects to use a fictitious name in its Proposal, a copy of the Proposer's fictitious name registration should be provided to City.

7. PROPOSAL GUARANTY

A Proposal Guaranty shall not be required for this Contract.

8. DELIVERY OF PROPOSALS

- 8.1 All Proposals shall be submitted in sealed envelopes bearing on the outside the name of the Proposer, address, and the Purchasing Proposal #. Each Proposal shall consist of (i) an executed copy of the Proposal Form, along with all other documents or information required to be submitted pursuant to the terms of the Proposal Documents (together, the "Proposal"). The documents comprising the Proposal must be completed and signed on the forms provided herein, or on exact reproductions thereof.
- 8.2 All Proposals shall be submitted pursuant to the terms outlined in these Instructions to Proposers. Any Proposals received after the time and date specified in the solicitation document for the opening of the Proposals will not be considered, but will be returned unopened.
- 8.3 Each Proposer's response shall be at the sole cost and expense of the Proposer and such Proposer shall have no right or claim against the City for costs, damages, loss of profits, or to recover such costs, damages, or expenses in the event the City exercises its right to reject any or all Proposals or to cancel an award pursuant to a provision hereof for any reason.
- 8.4 Submission of a Proposal shall constitute authorization for the City and its representatives and agents to make such copies of the Proposal or portions thereof and to distribute such copies as may be necessary or desirable to carry out the City's objectives or requirements.

9. COMMUNICATIONS REGARDING EVALUATION OF PROPOSALS

To ensure the proper and fair evaluation of Proposals, the City highly discourages any oral communication initiated by a Proposer or its agent to an employee of the City evaluating or considering the Proposal during the period of time following the issuance of the solicitation document, the opening of Proposals and prior to the time a decision has been made with respect to the Contract award. An appropriate Purchasing employee of the City may initiate communication with a Proposer in order to obtain information or

clarification needed to develop a proper and accurate evaluation of the Proposal. Any communication initiated by Proposer during evaluation should be submitted in writing and delivered to the City of Brookhaven, Purchasing Office, 200 Ashford Center North, Suite 150, Dunwoody, Georgia 30338, or by e-mail to purchasing@brookhavenga.gov or facsimile to (404) 637-0481. Unauthorized communication by the Proposer may disqualify the Proposer from consideration.

10. WITHDRAWAL OF PROPOSALS

No Proposal may be withdrawn after it is submitted unless the Proposer makes a request in writing and such request is confirmed as received prior to the time set for opening of Proposals. No Proposal may be withdrawn after the scheduled Proposal opening time for a period of one hundred and eighty (180) days. Any Proposer withdrawing or attempting to withdraw its Proposal prior to the expiration of the one hundred and eighty (180) day period shall be obligated to reimburse the City for all its costs incurred in connection with such withdrawal or attempted withdrawal including, without limitation, any increased costs for procuring the goods or services from another Proposer or all costs of advertising and re-procuring the goods or services, and all attorneys' fees, in addition to payment of City's other damages. A Proposer's submission of a Proposal shall be deemed the Proposer's acknowledgment of and agreement to the provisions of this Section.

11. DISQUALIFICATION OF PROPOSERS

- 11.1 Any of the following causes may be considered as sufficient for the disqualification of a Proposer and the rejection of its Proposal:
- 11.1.1 Submission of more than one Proposal for the same work, or participation in more than one Proposal for the same work as a partner or principal of the Proposer, by an individual, firm, partnership or corporation, under the same or different names, or by Proposers which are affiliates, either at the time of submittal, or at the time of award. For purposes of this section, the term "affiliates" means firms, partnerships, corporations or other entities under common control;
 - 11.1.2 Evidence of collusion between or among Proposers;
 - 11.1.3 Evidence, in the opinion of the City, of Proposer(s) attempting to manipulate the Proposal pricing for its own benefit (e.g. pricing resulting in a failure of the City's ability to enforce the Contract or impose the remedies intended following breach by Contractor);
 - 11.1.4 Being in arrears on any of its existing contracts with the City or in litigation with the City or having defaulted on a previous contract with the City;
 - 11.1.5 Poor, defective or otherwise unsatisfactory performance of work for the City or any other party on prior projects which, in the City's judgment and sole discretion, raises doubts as to Proposer's ability to properly perform the work; or
 - 11.1.6 Any other cause which, in the City's judgment and sole discretion, is sufficient to justify disqualification of Proposer or the rejection of its Proposal.
- 11.2 The City has adopted a policy which addresses, among other things, the obligations of the City's employees with respect to interest in business entities, unauthorized compensation and acceptance of gifts. Please be aware that any act by a Proposer that could cause a City employee to violate the policy is sufficient cause for the denial of the right of the Proposer to propose on any contract or sell any materials, supplies, equipment, or services to the City for a period of time that is determined by the City Manager.

12. REJECTION OF IRREGULAR PROPOSALS

A Proposal may be considered irregular and may be rejected if it is improperly executed, shows omissions, alterations of form, additions not called for, unauthorized conditions, or limitations, or unauthorized alternate Proposals, fails to include the proper Proposal Guaranty, Contract references, other certificates, affidavits, statements, or information required to be included with Proposals, including, but not limited to, the Proposer's prices, or contains other irregularities of any kind.

13. NOTICE OF INTENT TO AWARD CONTRACT

Unless all Proposals are rejected, a Notice of Intent to Award is anticipated to be provided within ninety (90) days from the opening of Proposals to the responsible and responsive Proposer submitting the Proposal deemed to be most advantageous to the City, price and other factors being considered. For all procurements, the City reserves the right to reject any or all Proposals and to cancel the procurement or to solicit new Proposals.

14. RESPONSIBILITY OF PROPOSERS

- 14.1 City reserves the right, to aid it in determining a Proposer's responsibility, to require a Proposer to submit such evidence of Proposer's qualifications as the City may deem necessary, and may consider any evidence available to the City of the financial, technical, and other qualifications and abilities of a Proposer, including past performance (experience) with the City and others. The City shall be the final authority in the award of any and all Proposals.
- 14.2 All Proposers shall furnish the City with the company name, address, contact person, and telephone number of at least three (3) entities (preferably a firm other than the City) for which they have supplied similar services as requested in this Proposal during the past three (3) years. The information should be submitted on the provided Contract References page with the knowledge that the City will use the data for reference purposes. The City does check all references and requires the Proposer to notify the reference, verify contract information, and obtain permission from the reference before completing the form.

- 14.3 For a Proposer to meet the minimum responsibility criteria for this Contract, the Proposer must provide verifiable evidence, through references or otherwise, that the Proposer is an individual, a firm, a corporation, or other entity that is currently employed or otherwise engaged in providing branding services and, taking into account the activities of a related predecessor, affiliate, or principal of Proposer, has been actively engaged in such activity for at least three (3) years immediately preceding the date of the Proposer's response to this request.

15. GUARANTY OF FAITHFUL PERFORMANCE

A Performance Bond shall not be required for this Contract.

16. POWER OF ATTORNEY AND COUNTERSIGNATURE

Not applicable.

17. EXECUTION OF CONTRACT

- 17.1 The Proposer to whom the Notice of Intent to Award is given shall, within ten (10) business days of the date of the Notice of Intent to Award, execute and/or deliver the following to the City: the Contract, a copy of the Proposer's valid business or occupational license, and all other documents and information required by the Contract Documents. All of the above documents and information must be furnished and the Contract Documents executed by Proposer, and delivered to the City, before the Contract will be executed by the City.
- 17.2 A Proposer's failure to timely fulfill its obligations under this section shall be just cause for withdrawal of such Notice of Intent to Award. In such case, a Notice of Intent to Award may then be issued to the next ranked Proposer or all Proposals may be rejected and the Contract re-advertised. In such event, the City shall be entitled to receive its damages and costs, including, but not limited to, its attorneys' fees caused by or in connection with a Proposer's failure to fulfill its obligations under this paragraph. A Proposer's liability for failing to timely fulfill the obligations stated in this paragraph shall be the same as for withdrawing its Proposal (see Section 10).
- 17.3 The Contract shall not be binding upon the City until it has been executed by the City and a copy of such fully executed Contract is delivered to the Contractor. The City reserves the right to cancel the award without liability to any Proposer at any time before the Contract has been fully executed by the City and delivered to the Contractor. Accordingly, the Contractor is hereby warned that it should not commence performance or incur costs or expenses in connection with the Contract obligations until it has been delivered a final, fully executed copy of the Contract.

18. GEORGIA SALES TAX

The City is a governmental agency and a political subdivision under Georgia law. Purchases by the City under this Contract are exempt from sales tax: A City tax exempt number is not required for a municipality. No purchase made by any entity is qualified to be exempt other than those made directly by the City. The City's sales tax exemption does not apply to goods or services purchased or consumed by a Contractor for which the Contractor is deemed to be the ultimate consumer in connection with the fulfillment of its Contract obligations, and the City shall have no liability for such taxes.

19. SUBCONTRACTS

- 19.1 The Contractor's right to subcontract shall be governed by the provisions of Section 17 of the General Conditions.
- 19.2 Nothing contained in these Contract Documents shall be construed as creating any contractual relationship between any subcontractor and the City.
- 19.3 The Contractor shall be fully responsible to the City for the acts and omissions of a subcontractor and of persons employed by said subcontractor to the same extent that the Contractor is liable to the City for acts and omissions of persons directly employed by it.

20. FAMILIARITY WITH LAWS

All Proposers and the Contractor are presumed to be familiar with and shall observe all Federal, State and local laws, ordinances, codes, rules and regulations, including, without limitation, the City's rules and regulations, that may in any way affect work herein specified. Ignorance on the part of the Contractor shall in no way relieve Contractor from any such responsibility or liability. Contractor's compliance with requirements of O.C.G.A. 13-10-91 and Rule 300-10-1-.02 will be attested.

21. SECURITY

The successful Proposer will be required to comply with all applicable standards of the City relating to security which may be in effect or changed from time to time.

28. NO PROPOSALS

In the event a potential Proposer elects not to submit a Proposal, such potential Proposer is nonetheless requested to respond by advising the City of the reason for not submitting a Proposal.

29. PUBLIC RECORDS/PUBLIC MEETINGS

Please be aware that all meetings of the City's Council are duly noticed public meetings and all documents submitted to the City as a part of or in connection with a Proposal may constitute public records under Georgia law regardless of any person's claim that proprietary or trade secret information is contained therein.
