Subject: PI# 0016053, DeKalb County; Approved CE Document
Date: Monday, June 26, 2023 10:28:25 AM

Hello:

The approved environmental document for the above-noted project can be found at the link below. Please review the document, paying particular attention to the environmental commitments table. The appropriate TPro comments and P6 dates have been updated. If you have any questions or would like a hard copy please let me know.

This email certifies that the environmental document is approved and the project can proceed to the next activity phase. Please note that any change in the project as described in the approved environmental document will require additional review by this office and a possible reevaluation.

Human trafficking impacts every corner of the globe, including our state and local communities. Georgia DOT is committed to end human trafficking in Georgia through education enabling its employees and the public to recognize the signs of human trafficking and how to react in order to help make a change. To learn more about the warning signs of human trafficking, visit <https://doas.ga.gov/human-resources-administration/human-trafficking-awareness>. To report any suspicious activity, call the Georgia Human Trafficking Hotline at 866-363-4842. Let's band together to end human trafficking in Georgia.
