

Ashford Dunwoody Road Corridor Study

PUBLIC OPEN HOUSE

Tuesday, November 29, 2016

6:00PM – 8:00PM

Stop by any time!

Brookhaven City Hall

Council Chambers

4362 Peachtree Rd NE

Brookhaven, GA 30319

The vision for Ashford Dunwoody Road is to be *"...a safe, efficient, inviting, and convenient multi-modal corridor that provides all users with access to a variety of destinations in a harmonious, cost-effective manner that enables neighborhoods and businesses to thrive... People are able to move safely and efficiently along, through, and within the corridor to connect with neighborhoods, workplaces, institutions, and activity centers on foot, bike, car, bus or other mode in a way that preserves and enhances surrounding neighborhoods, green space, and the community in general."*

Ashford Dunwoody Road Corridor Study

Public Open House

Nov. 29, 2016 6-8pm

Following a series of stakeholder meetings, a community workshop, and technical analysis of traffic data, the project team has updated draft recommendations aimed at making Ashford Dunwoody Road a multimodal corridor that serves the needs of all users, is harmonious with existing development and future growth, minimizes negative impacts to property owners and neighborhoods along the corridor, that has broad support from citizens and stakeholders, and that is cost-effective and implementable.

View and provide input on final draft recommendations for:

Segments of the corridor

Key intersections

Streetscape elements

Come join us to review the final draft recommendations and share your thoughts.
